Vol. III No. 33

24 September, 2009

SCHEDULE OF COMING EVENTS

SEPTEMBER

29 SEP-TBA

FOR FUTURE PLANNING

03 OCT-Squadron Work Party
24 OCT-CTWG Conference and Cadet Ball
03 NOV-Citrus Fruit Fundraiser ends.

CADET MEETING MINUTES

22 September, 2009

C/2Lt Scannell led the Cadets in the Pledge of Allegiance and the Cadet Oath.

Maj Rocketto led the Cadets in the second part of the paper helicopter experiment. Cadet teams dropped their models from varying heights, recorded the data in tabular form, and graphed the data height as a function of time. The graphs were linear indicating that the autorotation speed was constant and the speed was determined by measuring the slope of the line.

SENIOR TRAINING

22 Sept, 2009

Lt Farley led an Observer training session covering the dangers of icing and wind and thunderstorms, identifying airspace and plotting courses on the sectional chart.

CITRUS FRUIT FUND RAISER

The Fundraiser is on and forms and instructions have been distributed to all Cadets and Officers who attended the 22 September meeting.

We are selling 25 and 35 pound boxes of navel oranges, pink grapefruit, or a mix of both. The prices remain the same as last year, \$25 for a 20 lb box and \$35 for a 40 lb box. Delivery will be during the first weeks of December.

The sale will run from now until 03 November. If you have not picked up your fundraising supplies, get to the next meeting and see Maj Rocketto.
